

Online Business License Registration

The City now processes all business license requests and renewals securely online and supports payment via credit card, check, money order, or cash.

Check and money order payments can be sent via mail. Cash payments must be made at City Hall. You can send payment after completing the below online form.

Soon after your payment is processed, you will be able to login, download, and print your new business license certificate directly from our website. This new, streamlined process is eco-friendly and saves West Linn taxpayers the cost of printing and mailing hard-copy certificates to each business owner.
